

Hang it up

The multiple pendant lamp is ubiquitous this year, but we're still not bored of it. Especially when they come as perfectly formed as the Charl Varl by Margaux Keller

Ooh la la!

Blue is this year's big colour story. Invest in a modern stacking stool as the perfect occasional piece for the bedroom, kitchen or office

Persia deconstructed

Reinventing the classic Persian carpet has become a popular theme with Arabian manufacturers, but nobody does it quite like Hossien Rezvani. The award-winning designer's new collection goes bold with a brighter palette

Ray of sunshine

Bursting into our homes this year is a colour we haven't seen since the seventies. Primary yellow, paired with plum, rich blue and pale pink will give you the hottest look for 2013
