RUG MARKETS 2010

In January 2010 the rug calendar is turned on its head with the Atlanta International Area Rug Market on 6-13 January 2010 planned ahead of Domotex Hanover on 16-19 January 2010. Rug producers Tamarian from Baltimore will be one of the many exhibitors at Atlanta alongside Karastan and Jaipur, who will also be making an appearance in Germany the following week. They will be joined by Creative Matters, Floor to Heaven, Jan Kath, Rug Star, Creation Roesner, Angelo, Knots Rugs, Chuk Palu and Stile BK plus first time appearances from Anju from Perchtoldsdorf, Austria and Hossein Rezvani from Lueneburg, Germany. The four day Domotex fair includes the Carpet Design Awards, returning for its fifth year. It is good opportunity to see all of the shortlisted designs at the fair and visitors can even voice an opinion by voting in the last category – Best liked by DOMOTEX visitors. We hope the fairs prove to be a successful start to 2010.
