

### Rugs Aplenty

This year the dates of the two most important rug fairs are coinciding: Americasmart in Atlanta is on 13-16 January 2011 while Domotex in Hanover is on 15-18 January.

In Atlanta buyers will see a selection of top US rug producers including Jaipur, F J Kashanian Rugs (4), Tufenkian (3), Obeetee, Tamarian, Amadi, Ariana, and J D Staron.

The big gossip around Domotex concerns the Carpet Design Awards: now that it is open to non-exhibitors the competition is hotting up. This year Diacasan (8) will have a stand for the first time while familiar faces include Floor to Heaven, Zollanvari (7), Angel Trading (2), Rug Star launching its ECO rugs (6), Kateha (5), Hossein Rezvani, Jan Kath and Talis (1) among many many others.
